

Partners IN EDUCATION

Bringing the Community into the Classroom

Who We Are

Currently, Partners in Education is made up of more than 2,800 district and school-based partnerships. Connecting education with the business community helps expose students to a wide variety of opportunities for success. We look for three activities (per school) for you to be considered a partner of the school; these are just a few examples. Our PIE coordinators are always willing to explore how your business or organization can become involved!

Ways Schools Can Give Back

- Recognition* on a marquee, in a school newsletter
- Post recognition on school Facebook/ X pages
- Invitations to special school programs
- Thank you notes from students
- Musical performance at the partner's place of business
- Tickets to school events
- Invitation to Meet the Teacher/Open House

*Please note, schools cannot engage in advertising through the Partners in Education program. **This is strictly a cause-related recognition.**

Advertising is done through the advertising department at the district office, please contact: Rodney Green Rodney.Green@ocps.net
