Advancing Education. Inspiring Generations.

POWERING POSSIBILITY, ONE GIFT AT A TIME

Great leadership doesn't just guide—it uplifts, transforms, and paves the way for others to thrive. At the Foundation for Orange County Public Schools, our Leadership Giving Societies recognize those who choose to lead with generosity, heart, and a bold belief in the power of education.

Why Leadership Giving Matters:

- You empower student achievement from the ground up
- You champion teachers and elevate innovations in and beyond the classroom
- You invest in every student's educational experience by preparing, inspiring, and empowering their success

Leadership giving drives lasting impact providing sustained support that builds a strong foundation for success—each Leadership Giving Society member becomes part of a movement that makes education boundless.

Join Us. Lead with Purpose. Give with Impact. Make your mark today and step into a circle of changemakers who turn compassion into action.

Leadership giving society members who contribute \$1,000 annually will receive:

- Invitation to annual appreciation reception
- Quarterly members-only philanthropy in action update
- Recognition in annual impact report
